BOY TELLS STORY OF AN ATTEMPT

MESA LANDS ARE VALUABLE FOR FRUIT

R. Y. Anderson Gives Practical
Talk at Business Men's Luncheon.

Citing the example of California, Colorado and other fruit growing sections, R. Y. Anderson in his talk before the business men today on the resources of the Rio Grande valley, made the statement that the 30 miles of mesa land above the El Paso valley was as valuable as the valley land proper and that it was even better adapted to the raising of fruits and vegetables, the two staple crops
